

<b>Question #3: How would you like to improve your community?</b>		
<b>General</b>	<b>Points of Discussion</b>	<b>Notes</b>
	Encourage diverse demographic - more families	
	Residents feel like they have no say, they would like for their opinion to be heard and to mean something	They feel like they aren't considered as important as other communities like Mount Royal or Crescent Heights
	More community volunteers	
	Pride in the small town atmosphere of the communities	
<b>Parking</b>	<b>Points of Discussion</b>	
	Regulate street parking for residents	
	Landlords provide parking for tenants	
<b>Traffic</b>	<b>Points of Discussion</b>	
	Widen McKnight or traffic calming	
	Traffic control through speed bumps, traffic circles, restricted times, traffic circles etc.	
	Improve Centre St, Edmonton Trail, 4th St, 40th ave, 32nd Ave, 36th Ave	
	Porosity from Highland Park, through Thorncliffe Greenview, to Mt Pleasant	
	Reduce speed on residential roads	
<b>Public Transit</b>	<b>Points of Discussion</b>	
	Clarity regarding LRT location - will drive development	
	More public transit	
	Do not place LRT along Nose Creek	In the visioning session, most people did not want the LRT along Nose Creek but were evenly split between Ed. Trail and Centre St. However the results from the online survey showed a fairly even split between all three options.
	Low floor LRT, reminiscent of street car/trolley	
	Locate grocery stores close to transit stops	
	Improve accessibility for disabled, seniors, and those with strollers	Will also help draw a demographic variety
<b>Active Transportation</b>	<b>Points of Discussion</b>	
		more people walking/biking displays use of community

	Develop bike and walking paths (especially in Thorncliffe)	
	Ability to walk to work/school	
	Continuity in bicycle infrastructure	
<b>Future Development</b>	<b>Points of Discussion</b>	
	Thoughtful mix of densities that still allows services, green space, walkability etc. w/o congestion	
	Focus on residential area and family friendly development	
	Encourage employment nodes and keep industrial area	
	Incorporate more amenities, small businesses, mixed-use development that encourage walkability - farmer's market	
	Beautify the area, focus on attractive commercial design, public art	
	Rejuvenate public areas, community spaces, safe places for youth (skate parks etc.)	
	More neighbourly interaction, volunteer opportunities, community events	
	Opportunities for all people	
	Keep community schools open and have them provide for the community (not elsewhere)	
<b>Organization of Future Development</b>	<b>Points of Discussion</b>	someone suggested beautification of corridors that is consistent through multiple communities
	Encourage greater community involvement and act on community needs/wants	
	Cohesive plan that incorporates all communities, transit, Golf Course, and the DI - an ARP	
	Plan is not biased due to powerful lobbying interests - based on residents not speculators	
	Spaces should encourage active living (toboggan hill, adult fitness park)	
	Plan with respect to Calgary as a whole as well as individual communities	

<b>Green Space</b>	<b>Points of Discussion</b>	The overall maintained and increase of green space was very important to people
	More playgrounds - encourage families to the area	will draw outside people
	Keep mature, existing trees	
	Rehabilitation of existing spaces	
	Add more green space and some smaller green spaces	
	Spaces should encourage active living (toboggan hill, adult fitness park)	
	Creek running through golf course should allow pre-treatment of storm water	
	Highland Park Golf Course: keep it a usable green space for foot traffic, development around periphery with inner green space maintained	
	Incorporate dog parks	
	Community gardening	
<b>Property Maintenance</b>	<b>Points of Discussion</b>	
	Hold landlords/renters accountable	
	Find uses for empty lots	
	Enforce snow shovelling bylaw	
	More owners, less renters	
	Foster relationships between renters/landlords and neighbours	
<b>Housing</b>	<b>Points of Discussion</b>	
	Limit Rental Opportunities	
	Diversity of Housing Types and ages (density, single vs. multi-family)	
	More senior housing	
	Disagreement as to whether or not affordable/low-income housing is good for the area	
	Family Services and Housing	
<b>The DI</b>	<b>Points of Discussion</b>	
	Use for low-income seniors housing w daycare	
	Have the City mediate between the DI and the community and come up with a mutually beneficial solution	
	Make it available for single parents and children	

	<b>Take a risk, be open-minded, and let the DI make the area look and feel nicer as well as provide affordable housing</b>
